

**RAIN  BIRD**

**CHAMPIONS ARE GROWN**

**ARE YOU  
READY  
TO PLAY?**

# CHAMPIONS ARE *GROWN*.

Before the sun comes up and after the stadium lights power down, it's **you** working tirelessly to cultivate the perfect playing conditions.

From an athlete's first tee ball game, to the big leagues and beyond, it's **your** dedication to an exceptional playing surface that allows them to perform at their very best.

Thank **you** turf managers, for your passion, your hard work, and the role you've played in shaping every athlete on that field...

*It's because of **you** that champions are grown.*

## YOUR TURF IRRIGATION PARTNER

Rain Bird irrigation products are the natural choice for sports field managers looking to create the ideal playing surface for athletes of all levels. No matter the size or scale of your project, Rain Bird will help you **save time, spend less, and water more effectively**. Check out our Site Reports for examples of successful irrigation projects across the globe.

### BURNLEY FC TRAINING GROUND

*"We specify Rain Bird because of product quality and reliability. We are impressed with the technological advances developed for the sports turf market over recent years."*

Lee Knight, Contracts Director, Irrigation Control,  
Burnley FC Training Ground

### READING FC FOOTBALL STADIUM

*"We had a high level of confidence in Rain Bird irrigation technology for the project because of the overall quality, performance and versatility of the company's products."*

Nathan George, Contracts Director (Sport), MJ Abbott

### FULHAM FC FOOTBALL STADIUM & TRAINING GROUND

*"The proposal was based on the specification of Rain Bird technology which we feel leads the way in sports turf applications."*

Andy Burbridge, Sportsturf Irrigation, Fulham FC  
Football Stadium and Training Ground

# ACHIEVING THE PERFECT PITCH
