

## Irrigation Association Certification Board

### Pre-Approved Courses for Continuing Education Units

#### Tier 1 Courses

Irrigation educational courses and seminars are typically sponsored by, but are not limited to, trade associations, educational institutions, IA licensed providers or professional irrigation instructors. Courses may be offered by manufacturers and distributors.

Subject matter within this tier is directly related to irrigation and can be brand specific.

Class Name	CEUs approved	Code
Central Control Installer	20	IA04132-10Q
Decoder System Technician	4	IA04132-2U
Drainage Technician	4	IA04132-4T
Residential Controller Technician	4	IA06142-2A
Landscape Valve Technician	4	IA06142-2B
ESP-LX Series Operator	4	IA04132-4M
Golf Central Control Operator	8	IA04132-4X
ICS Technician	8	IA04132-4W
Introduction to Irrigation & Installation	8	IA04131-8A
Introduction to Landscape Irrigation Pumps	8	IA04131-8E
IQ Operator	8	IA04132-4O
IQ Technician	8	IA04132-4N
Irrigation Contractor Course	16	IA04131-16H
Irrigation Technician Course	16	IA04131-16B
Landscape Irrigation Design Process	8	IA04131-8C
Low Volume Irrigation Design	8	IA04131-8G
Low-Volume Irrigation Technician	8	IA04132-4V
Maxicom Operator	20	IA04132-10J
Maxicom Technician	20	IA04132-10I
Rainwater Collection and Utilization Course	4	IA04131-8F
Residential Installer	28	IA04132-14R
SiteControl Operator	16	IA04132-8L
SiteControl Technician	8	IA04132-4K
Site Survey Technician	4	IA04132-4P
Golf Smart Pump/Pump Manager	4	IA09132-6A
Integrated Sensor System (ISS)	4	IA09132-4C
MI Series Mobile Controller	4	IA09132-2D
Satellite Control System Technician	4	IA09132-2E
Efficient Irrigation Scheduling	4	IA09131-4G
Golf Irrigation Technician	12	IA09132-6A
Certified Irrigation Designer (CID) Review Course	16	IA09141-16A
Irrigation Auditor Course	14	—
Golf Irrigation Auditor Course	12	—
