### 3/4" XBS Black Stripe PE Tubing

#### How To Specify

### XBS - 075 - 500

High quality, flexible tubing for use in any low-volume irrigation system.

It's convenient. Produced with a vibrant green or purple stripe pattern for easy zone identification, the colors add simplicity to maintenance and installation.

It's versatile. Designed for use with all drip systems, our new poly tubing is everything you'd expect from Rain Bird.

It's durable. Constructed from high quality, UV resistant resin blend materials, our tubing is rated up to 60 psi. Available in 500 foot coils, tubing can be purchased individually, by the pallet or truckload.
