| Alameda County         | Water Efficient Landscape   | Multi Family, HOA, Commercial   | Multi-family complexes, Homeowners Associations with common landscaped areas, and commercial properties that convert lawns to water-efficient plantings can get a rebate. The rebate is based on the number of square feet of lawn converted. ACWD is currently offering \$0.50/sq.ft. Please contact us to learn more. To be eligible for this rebate, customers must be pre-approved by ACWD, so please check with us first before beginning your landscape conversion project. | While funds Last | ESP-Smart Controller & Weather Sensor. Nozzles: R13-18 Series (Black), R-VAN 1318 Series (Yellow), R-VAN 1724 Series (Yellow), 1800-SAM-P45 Series, On-surface dripline, Sub-surface dripline, Dripline w/ check valve | <a href="http://www.acwd.org/?nid=145">http://www.acwd.org/?nid=145</a>   | Alameda County Water District       | (510) 668-4200 |
|                        | Smart Irrigation Controller | Commercial & Large Landscape Customers  | Commercial and large landscape customers that replace their existing conventional irrigation controller with a "smart" irrigation controller may qualify for a rebate of up to \$30* per active station. Sites must be pre-qualified through our landscape survey program.  | While Funds Last |  | <a href="http://www.acwd.org/?nid=145">http://www.acwd.org/?nid=145</a>   | Water Conservation                  | (510) 668-4218 |
