

Simple upgrades to your sprinkler system can help you save water. See what Rain Bird high-efficiency adjustable spray nozzles can do for your landscape—and your water bill.

Up to 35% Water Savings*

BENEFITS:

- Through innovative Flow Control Technology, HE-VAN Nozzles offer even coverage throughout the spray pattern, saving water and delivering a healthy, beautiful landscape.
- These hand-adjustable nozzles are ideal for watering landscapes of various shapes, from those tight corners to manicured curves.

*Due to varying conditions, your actual water savings may be different. Results may vary depending on site-specific conditions and installation.

The Right Choice for Saving Time, Money and Water.
