

1" ACME NP QCV | 1" ACME KEY

Why ACME threads?

- Specialized thread to prevent misuse of non-potable water
- Safer than single or dual track valves due to continuous and positive engagement of ACME thread
- Slow and steady control of flow with increased degree of freedom

44 NP ACME

44KA

Product ID

B12126

B12402

Model

44 NP ACME

44KA

Description

44 NPACME VLV W/PURPLE LKG CVR

ACME QCV KEY, 1" MPT x 3/4" FPT TOP THREADS
