

WiFi Ready!

Compatible with the NEW Rain Bird LNK WiFi Module! Simply plug the LNK WiFi Module into the ESP-TM2 accessory port, download the Rain Bird mobile app, and gain access to your irrigation system from anywhere in the world!

80 Years of Experience

Rain Bird's stellar reputation of providing high quality irrigation products for over 80 years delivers again with the ESP-TM2, carrying a 3 year trade warranty.

Simple to Program

The ESP-TM2 is simple to program and use with Rain Bird's Extra Simple Programming. Easily customize your schedule to keep your landscapes lush!

ESP-TM2 Tract Model 2nd Generation

Simple, flexible, reliable

The ESP-TM2 irrigation controller is the perfect option for basic residential solutions. Building upon Rain Bird's legacy of The Intelligent Use of Water[®], this controller offers simple water saving features that you will actually use.

With the flexibility of 3 programs and 4 start times available per program, you can tailor your watering schedule to your landscape's needs. The ESP-TM2 provides the Extra Simple Programming interface you are familiar with in a controller that is built to last!

Quick to Install

- Available in 4, 6, 8, and 12 station models
- A product suitable for indoor or outdoor installations
- Factory installed outdoor rated power cord for your convenience

Simple to Program

- Quickly program a schedule in just 3 steps
- 3 available programs (A, B, C) with up to 4 start times for each program
- Simple one-touch manual watering

Advanced Features

- Contractor Default[™] allows you to easily save and restore your custom schedule
- Delay Watering up to 14 days and automatically resume watering after the set delay has elapsed
- Bypass Rain Sensor for any station gives you the ability to customize which stations react to a rain sensor
- Set Permanent Days Off per program to ensure watering never occurs on days when maintenance crews are on site (for Odd/Even/ Cyclic schedules)
- Seasonal Adjust by program allows you to easily reduce or increase watering by program
- WaterSense[®] certified when installed with Rain Bird's LNK WiFi Module and WR2 Rain Sensor – up to 30% water savings

WiFi Ready

- Compatible with the NEW Rain Bird LNK WiFi Module
- Provides upgrade opportunities for your customers without installing a new controller
- Simple to use mobile app interface built for contractors and homeowners give you access from anywhere in the world
