

## Welcome to the Family

"Shadow Woods chose Rain Bird because of the customer service, timely response, and price. After Hurricane Ian almost all of our Satellite boxes were damaged and not working at 100% efficiency. Rain Bird stepped in, to deliver and install the new PAR+ES Satellite System in a timely manner, but also at a better price. After using Rain Bird irrigation central, we could not be happier."

*Ryan Czaplewski, Preserve Golf Course Superintendent,  
Shadow Wood Country Club, FL*
