✓ Get Trained on All Irrigation Topics

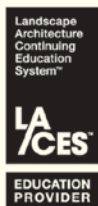

From irrigation troubleshooting to central control, your staff will get the skills they need.

To learn more, please visit our website:
www.rainbirdservices.com

Earn Continuing Education Units

CEUs are available for select counties
and organizations nationwide.

All Rain Bird Services training
courses are pre-approved for
Irrigation Association (IA)
Continuing Education Units
(CEUs).

For a complete list of organizations that recognize
Rain Bird Training Services as a CEU provider, please visit our website.

If you require CEU credits for an organization that is not listed, please
contact us in advance and we will look into the possibility of becoming
an education provider for your organization.

Not all classes are approved for Continuing Education units. Please visit our website or email
training@rainbird.com if you have any questions regarding CEU information for any of the organizations listed.

For more information and to register, please visit:
www.rainbirdservices.com
